Sorry, I was trying to work with the situation as it is, not as you'd like it to be.

Like you, I have no ability to control or change any of your ex wife's choices.

I really don't understand the purpose or point of your last statement.

Perhaps it's best that you don't correspond with me.

My goal is to support D [redacted] emotionally, as best I can, with the situation as it really is, not how any of us would like it to be.

Regards

Gary Yorke
